Dear Dr Büyükcaml,

Thank you for reviewing the above manuscript, entitled "A new nomogram to predict the development of acute kidney injury in post-cardiac arrest adults: A single center retrospective analysis with internal validation" for Renal Failure.

We greatly appreciate the voluntary contribution that each reviewer gives to the Journal. We hope that we may continue to seek your assistance with the refereeing process for Renal Failure, and hope also to receive your own research papers that are appropriate to our aims and scope.

Sincerely,
Dr Fulop
Editor in Chief, Renal Failure
