Dear Prof./Dr. Fatih:

Thank you for your e-mail regarding observations and suggestions for the improvements to the manuscript. This is exactly the kind of input we need to better serve our reader's needs. We are sending your comments directly to the authors. We welcome your involvement and will surely the author consider implementing your ideas and thoughts in the publication.

Your efforts are very much appreciated. We are always grateful to hear from you and encourage you to pass along your thoughts, observations, correction what so ever related to the quality of manuscripts.

Thanks once again for your comments for this article.

With very best wishes,

Ahmed
